WHOLESALE PRICE LIST FOR 1961

ASSORTMENTS

RECEIVED

* FEB 27 1961 *

U.S. Department it Agriculture

For those wishing a few of a kind, we recommend these select assortments.

Assortments, as well as plants ordered by name, will be labelled with plant names free, but only upon request.

SUNSET—All cactus, all succulents or mixed as requested for $2 \cdot 2 \frac{1}{2}$ in. pots at \$7.50 per 100. **GOLDEN WEST**—Larger plants of the Sunset group for $2\frac{1}{2} \cdot 3\frac{1}{2}$ in. pots at \$10.00 per 100. **LITTLE JEWEL**—Slow-growing choice cactus of price group "B" for $2 \cdot 2\frac{1}{2}$ in. pots at \$10.00 per 100.

SUPER DUPER—Still larger plants \$35.00 per 100.

FANCIER'S—Choice kinds from our retail list that will appeal to collectors of better plants. \$15.00 per 100.

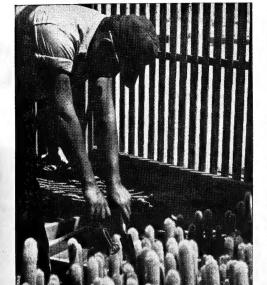

In the first four assortments the same number of plants of each kind is included. The other four assortments will vary in numbers of each kind owing to the purpose of the assortment and stock limitation.

PLEASE NOTE

Although this is our 31st year of quality cactus growing, and we are California's largest Cactus and Succulent Nursery, still we are unable to keep up with the demand.

Current sales have broken all records. Consequently we ask you to refer to this Price List before ordering. Please indicate substitutions where possible.

MANAGEMENT NOTICE

Upon the death of Howard E. Gates, October 13, 1957, the management of Gates Cactus Inc., passed to his son, Morgan S. Gates.

Harold Tapia, who has served the firm for 19 years, is the General Manager.

Our policies remain the same and we are happy to report that current sales are breaking all records.

We appreciate your orders. Our twelve regular employees take pride in serving you, and we trust that we may hear from you soon.

CONDITIONS OF SALE

······

QUANTITY DISCOUNTS

On shipments amounting to—

\$50.00 or more 5% \$100.00 or more 10%. Quantity discounts apply to cash or C.O.D. orders. Customers who have established account standing, will be billed at the hundred rates and the above discounts will be allowed if remittance is mailed within twenty-one days of invoice date.

WHOLESALE TERMS

Cash with order. Packed F.O.B. Corona. 50% cash advance with C.O.D. orders. Minimum wholesale order \$7.50. Hundred rate price applies on 25 or more of one kind. For prices on smaller lots of a kind, see notation at heading of the general listings.

LABELING

We label with plant names only when requested.

TRANSIT LOSSES

Claims for heating, freezing, delay or poor handling must be taken up with the transporting agency. In order that you may properly make claim upon the transportation company for transit losses, always ask the delivering agent for a bad order inspection.

SATISFACTION GUARANTEED

We guarantee quality and fair value. If not satisfied on these points return the goods at once at our expense for full refund.
